Oh gosh, these were due yesterday, and we've already written the talking points, but I'll see if I can get them included.

Thanks!  
Rebecca

Thanks Rebecca. Responding to your email for ORC:

In 2014, ORC was involved in a number of important matters concerning defensive litigation, general law issues and program support. Some examples include the Wind River TAS decision (at the very end of 2013); major FOIA projects; the Wyoming Regional Haze final action; settlement of the Colorado Regional Haze litigation concerning the Craig station; and settlement of Buckley Air Force Base litigation (involving novel legal issues concerning EPA authority to require green infrastructure to reduce stormwater impacts of development).

In 2015, ORC foresees involvement in even more key matters - defending the Wind River TAS decision in the 10<sup>th</sup> Circuit; defending the WY and CO regional haze actions in the 10<sup>th</sup> Circuit; and advising the region on the Dewey Burdock matter, concerning a proposed uranium mine near the Black Hills in South Dakota.

**Subject:** 2014 Accomplishments and 2015 Key Issues for Next Week's All-Hands Meeting

Hi all,

As Shaun mentioned at SLT yesterday, he would like to report out some 2014 accomplishments and 2015 key issues for the all-hands meeting scheduled for next Thursday, 1/15. I am assisting Paula in collecting this information.

Please submit from each ARA-ship:

- 2-3 great things that happened in 2014. 1 sentence on each.
- Up to 3 key issues for 2015. 1 sentence on each.

Please submit by COB Monday 1/12.

Thanks,  
Rebecca
